9:00AM: - Call to Order and Welcome! Alisha Fix, MRAP Recreation Coordinator & Sayer Larson, Village of McFarland Parks Superintendent

- Brief overview of current Village of McFarland park & municipal projects
- Brief overview of MRAP programming and what we offer

9:15AM:

1. **Approve February Region Meeting Minutes**
2. **WPRA Announcements & Section Reports**
 - Aquatic Section
 - Park Section
 - Recreation Section
 - Young Professionals Section
 - WPRA
3. **Region Business**

9:30-10:30AM: Guest Speaker – National Weather Service Meteorologist, Rebecca Hansen

Rebecca is an experienced Meteorologist with a demonstrated history of working in the environmental services industry. Rebecca will be presenting information severe weather awareness related to recreation and aquatics, focusing on severe weather impacts to youth sports and other recreational activities, as well as some best practices to remain weather aware before and during the game/activity

There will be an opportunity for Q & A after Rebecca's presentation.

10:30-10:45AM: Break & PAC viewing – take a brief look at our new Performing Arts Center (no official tour)

10:45-11:15AM: Pool Tour & Q & A

4. Adjourn

Check out some of our local lunch options here in town:

- McFarland House Café – a local MRAP and Village of McFarland favorite! EVERYTHING is good!
- The Green Lantern – a great Friday fish fry right on Lake Waubesa!
- Parkside Pub – some awesome “bar burgers”!
- Palenque – great Mexican cuisine!
- Rock n’ Rollz Sandwiches – fabulous subs made by awesome people! (Same as the one in Edgerton!)
- Spartan Bowl – a variety of stellar food including burgers, sandwiches, and pizza!
